

Maximum points per skill sector

Skill sector	Maximum points
Assembly	30, points good up to C8
Casting and Moulding, Furnace Casting and Moulding, Advanced Skills	4, points good up to C8 16, points good up to C5
Fabrication, Basic Soldering Fabrication, Cutting Fabrication, Basic Welding Fabrication, Code Flux Welding Fabrication, Code TIG Welding Fabrication, Code MIG Welding Fabrication, Code SMAW Welding Fabrication, Other Advanced Welding *Additional points available for SP welding. Please see Appendix A, under Fabrication.	10, points good up to C8 6, points good up to C8 8, points good up to C8 8, points good up to C5 8, points good up to C5 8, points good up to C5 8, points good up to C5 8, points good up to C5 22, points good up to C5
Forging	38, points good up to C8
Machine and Process Ops, Lathe Machine and Process Ops, Grinding Machine and Process Ops, Milling Machine and Process Ops, Press Ops Machine and Process Ops, Use of Computer Tech	4, points good up to C8 4, points good up to C8 4, points good up to C8 4, points good up to C8 12, points good up to C5
Drawing/ Drafting when using Computers and relating to Engineering	38, points good up to C5
Installation and Commissioning when Modifying Control Systems, or Undertaking Commissioning for Plant/Equipment	10, points good up to C5
Measurement, Electrical Measurement, Precision Measurement, Mathematical	4, points good to C7 2, points good to C7 12, points good to C5
Work Health and Safety, Basic Work Health and Safety, Supervise	24, points good to C8 4, points good to C5
Planning, Basic Planning, Advanced	4, points good to C8 24, points good to C5
Quality, Basic Quality, Planning and Procedure	12, points good to C8 26, points good to C5
Communication, Basic Communication, Advanced and Reporting	12, points good to C8 16, points good to C5
Maintenance & Diagnostics, Electronic/Analog Maintenance & Diagnostics, Hydraulics Maintenance & Diagnostics, Pneumatics Maintenance & Diagnostics, Refrigeration Maintenance & Diagnostics, Other Complex Work	29, points good to C7 26, points good to C5 4, points good to C5 18, points good to C5 62, points good to C5
Locksmithing, Advanced	18, points good to C5
Non Destructive Testing, Advanced Non Destructive Testing, Planning	26, points good to C5 16, points good to C5

*Note: A full breakdown of every skill and the points related to that skill is available in Appendix A of the Classification Guide.
